

Spending your stimulus funding on English language development?

Stimulate minds with your stimulus dollars.

Your stimulus funding can go further than you think. Proven effective and efficient, *Imagine Learning* will check off every item on your list.

Stimulus Plan Wish list

- Help my English language learners reach new levels of learning
- Implement high-quality software to help them achieve
- Start a targeted assistance program we can use before school, after school, during the summer—maybe even over an extended school year

With Imagine Learning as your partner, you can bring your English language learners the same great resources and results that districts around the country are already experiencing

- Academic vocabulary (CALP) and conversational vocabulary (BICS)
- Strategic first-language support
- Listening and speaking proficiency support
- Carefully scaffolded literacy instruction
- Differentiated instruction, including reteaching opportunities
- Parental involvement

American Recovery and Reinvestment Act funds for English language development

Title I
