# Imagine Learning | EL Education (K-8)

## Platform: Imagine Learning Classroom

### Grades K-2

#### Modules (Workbooks)

Module lessons (60 minutes of daily instruction): Explicitly teach and formally assess all reading comprehension, writing, speaking and listening, and language standards and strands of the Common Core State Standards for English Language Arts & Literacy.

#### Skills Block (Decodable Readers)

K-2 Reading Foundations Skills Block (60 minutes of daily instruction): Teaches and assesses all reading foundations standards and language standards associated with spelling and letter formation.

#### Labs (Workbooks)

Labs (60 minutes of daily instruction): Build students' oral language, content knowledge, and habits of character through inquiry and hands on exploration. The Labs reinforce literacy skills, content knowledge, and habits of character taught in the module lessons and provide teachers with additional time to document students' progress toward mastery of specific standards.

## Grades 3-5

### Modules (Student Workbooks)

Module lessons (60 minutes of daily instruction): Explicitly teach and formally assess all reading comprehension, writing, speaking, and listening, and language standards and strands of the Common Core State Standards for English Language Arts & Literacy.

### ALL Block (Student Workbooks)

The Additional Language and Literacy (ALL) Block is 1 hour of instruction per day. The Student Workbooks are designed to work in concert with and in addition to the one-hour Grades 3-5 ELA “module lessons.” Taken together, these two hours of instruction comprehensively address all the Common Core State Standards for English Language Arts. The ALL Block is divided into five components: Additional Work with Complex Text; Reading and Speaking Fluency/GUM (Grammar, Usage, and Mechanics), Writing Practice; Word Study and Vocabulary; and Independent Reading.
