

Unit	Lesson	Lesson Objectives
------	--------	-------------------

Career Clusters

Career Cluster Overview

- Analyze how changes in life roles affect careers and lifestyle.
- Describe how careers affect lifestyle.
- Differentiate between jobs and careers.
- Identify and describe the career clusters.

Career and Technical Student Organizations

- Describe the importance of extracurricular activities in preparing for careers.
- Describe the role of professional organizations in career fields.
- Identify and describe Career and Technical Student Organizations and their leadership opportunities.

Personal Assessment

- Describe how personal interests, skills, achievements, values, and strengths relate to career options.
- Complete an assessment to determine areas of career interest.

Agriculture, Food, and Natural Resources Careers

Agriculture, Food, and Natural Resources Career Pathways

- Describe the Agriculture, Food, and Natural Resources career cluster.
- Analyze careers in the Agriculture, Food, and Natural Resources career pathways.

Agriculture, Food, and Natural Resources Workplaces and Tasks

- Analyze tasks performed by workers in Agriculture, Food, and Natural Resources careers.
- Describe common employers in Agriculture, Food, and Natural Resources careers.
- Describe common workplaces in Agriculture, Food, and Natural Resources careers.

Agriculture, Food, and Natural Resources Education and Qualifications

- Analyze the qualifications needed for Agriculture, Food, and Natural Resources careers.
- Describe the education and training needed for Agriculture, Food, and Natural Resources careers.

Architecture and Construction Careers

Architecture and Construction Career Pathways

- Analyze careers in the Architecture and Construction career pathways.
- Describe the Architecture and Construction career cluster.
- Describe the pathways in the Architecture and Construction career cluster.

Architecture and Construction Workplaces and Tasks

- Analyze tasks performed by workers in Architecture and Construction careers.
- Describe common employers in Architecture and Construction careers.
- Describe common workplaces in Architecture and Construction careers.

Unit	Lesson	Lesson Objectives
Architecture and Construction Education and Qualifications		
<p>Analyze the qualifications needed for Architecture and Construction careers.</p> <p>Describe the education and training needed for Architecture and Construction careers.</p>		
Arts, A/V Technology, and Communication Careers		
Arts, A/V Technology, and Communication Career Pathways		
<p>Analyze careers in the Arts, A/V Technology, and Communication career pathways.</p> <p>Describe the Arts, A/V Technology, and Communication career cluster.</p> <p>Describe the pathways in the Arts, A/V Technology, and Communication career cluster.</p>		
Arts, A/V Technology, and Communication Workplaces and Tasks		
<p>Analyze tasks performed by workers in Arts, A/V Technology, and Communication careers.</p> <p>Describe common employers in Arts, A/V Technology, and Communication careers.</p> <p>Describe common workplaces in Arts, A/V Technology, and Communication careers.</p>		
Arts, A/V Technology, and Communication Education and Qualifications		
<p>Analyze the qualifications needed for Arts, A/V Technology, and Communication careers.</p> <p>Describe the education and training needed for Arts, A/V Technology, and Communication careers.</p>		
Business, Management, and Administration Careers		
Business, Management, and Administration Career Pathways		
<p>Analyze careers in the Business, Management, and Administration career pathways.</p> <p>Describe the Business, Management, and Administration career cluster.</p> <p>Describe the pathways in the Business, Management, and Administration career cluster.</p>		
Business, Management, and Administration Workplaces and Tasks		
<p>Analyze tasks performed by workers in Business, Management, and Administration careers.</p> <p>Describe common employers in Business, Management, and Administration careers.</p> <p>Describe common workplaces in Business, Management, and Administration careers.</p>		
Business, Management, and Administration Education and Qualifications		
<p>Analyze the qualifications needed for Business, Management, and Administration careers.</p> <p>Describe the education and training needed for Business, Management, and Administration careers.</p>		
Education and Training Careers		
Education and Training Career Pathways		
<p>Analyze careers in the Education and Training career pathways.</p> <p>Describe the Education and Training career cluster.</p> <p>Describe the pathways in the Education and Training career cluster.</p>		

Unit	Lesson	Lesson Objectives
Education and Training Workplaces and Tasks		
Analyze tasks performed by workers in Education and Training careers.		
Describe common employers in Education and Training careers.		
Describe common workplaces in Education and Training careers.		
Education and Training Education and Qualifications		
Analyze the qualifications needed for Education and Training careers.		
Describe the education and training needed for Education and Training careers.		
Energy Careers		
Energy Career Pathways		
Analyze careers in the Energy career pathways.		
Describe the Energy career cluster.		
Describe the pathways in the Energy career cluster.		
Energy Workplaces and Tasks		
Analyze tasks performed by workers in Energy careers.		
Describe common employers in Energy careers.		
Describe common workplaces in Energy careers.		
Energy Education and Qualifications		
Analyze the qualifications needed for Energy careers.		
Describe the education and training needed for Energy careers.		
Finance Careers		
Finance Career Pathways		
Analyze careers in the Finance career pathways.		
Describe the Finance career cluster.		
Describe the pathways in the Finance career cluster.		
Finance Workplaces and Tasks		
Analyze tasks performed by workers in Finance careers.		
Describe common employers in Finance careers.		
Describe common workplaces in Finance careers.		
Finance Education and Qualifications		
Analyze the qualifications needed for Finance careers.		
Describe the education and training needed for Finance careers.		

Unit	Lesson	Lesson Objectives
------	--------	-------------------

Government and Public Administration Careers

Government and Public Administration Career Pathways

- Analyze careers in the Government and Public Administration career pathways.
- Describe the Government and Public Administration career cluster.
- Describe the pathways in the Government and Public Administration career cluster.

Government and Public Administration Workplaces and Tasks

- Analyze tasks performed by workers in Government and Public Administration careers.
- Describe common employers in Government and Public Administration careers.
- Describe common workplaces in Government and Public Administration careers.

Government and Public Administration Education and Qualifications

- Analyze the qualifications needed for Government and Public Administration careers.
- Describe the education and training needed for Government and Public Administration careers.

Health Science Careers

Health Science Career Pathways

- Analyze careers in the Health Science career pathways.
- Describe the Health Science career cluster.
- Describe the pathways in the Health Science career cluster.

Health Science Workplaces and Tasks

- Analyze tasks performed by workers in Health Science careers.
- Describe common employers in Health Science careers.
- Describe common workplaces in Health Science careers.

Health Science Education and Qualifications

- Analyze the qualifications needed for Health Science careers.
- Describe the education and training needed for Health Science careers.

Hospitality and Tourism Careers

Hospitality and Tourism Career Pathways

- Analyze careers in the Hospitality and Tourism career pathways.
- Describe the Hospitality and Tourism career cluster.
- Describe the pathways in the Hospitality and Tourism career cluster.

Hospitality and Tourism Workplaces and Tasks

- Analyze tasks performed by workers in Hospitality and Tourism careers.
- Describe common employers in Hospitality and Tourism careers.
- Describe common workplaces in Hospitality and Tourism careers.

Unit	Lesson	Lesson Objectives
Hospitality and Tourism Education and Qualifications		
<p>Analyze the qualifications needed for Hospitality and Tourism careers.</p> <p>Describe the education and training needed for Hospitality and Tourism careers.</p>		
Human Services Careers		
Human Services Career Pathways		
<p>Analyze careers in the Human Services career pathways.</p> <p>Describe the Human Services career cluster.</p> <p>Describe the pathways in the Human Services career cluster.</p>		
Human Services Workplaces and Tasks		
<p>Analyze tasks performed by workers in Human Services careers.</p> <p>Describe common employers in Human Services careers.</p> <p>Describe common workplaces in Human Services careers.</p>		
Human Services Education and Qualifications		
<p>Analyze the qualifications needed for Human Services careers.</p> <p>Describe the education and training needed for Human Services careers.</p>		
Information Technology Careers		
Information Technology Career Pathways		
<p>Analyze careers in the Information Technology career pathways.</p> <p>Describe the Information Technology career cluster.</p> <p>Describe the pathways in the Information Technology career cluster.</p>		
Information Technology Workplaces and Tasks		
<p>Analyze tasks performed by workers in Information Technology careers.</p> <p>Describe common employers in Information Technology careers.</p> <p>Describe common workplaces in Information Technology careers.</p>		
Information Technology Education and Qualifications		
<p>Analyze the qualifications needed for Information Technology careers.</p> <p>Describe the education and training needed for Information Technology careers.</p>		
Law, Public Safety, and Security Careers		
Law, Public Safety, and Security Career Pathways		
<p>Analyze careers in the Law, Public Safety, and Security career pathways.</p> <p>Describe the Law, Public Safety, and Security career cluster.</p> <p>Describe the pathways in the Law, Public Safety, and Security career cluster.</p>		

Unit	Lesson	Lesson Objectives
Law, Public Safety, and Security Workplaces and Tasks		
Analyze tasks performed by workers in Law, Public Safety, and Security careers.		
Describe common employers in Law, Public Safety, and Security careers.		
Describe common workplaces in Law, Public Safety, and Security careers.		
Law, Public Safety, and Security Education and Qualifications		
Analyze the qualifications needed for Law, Public Safety, and Security careers.		
Describe the education and training needed for Law, Public Safety, and Security careers.		
Manufacturing Careers		
Manufacturing Career Pathways		
Analyze careers in the Manufacturing career pathways.		
Describe the Manufacturing career cluster.		
Describe the pathways in the Manufacturing career cluster.		
Manufacturing Workplaces and Tasks		
Analyze tasks performed by workers in Manufacturing careers.		
Describe common employers in Manufacturing careers.		
Describe common workplaces in Manufacturing careers.		
Manufacturing Education and Qualifications		
Analyze the qualifications needed for Manufacturing careers.		
Describe the education and training needed for Manufacturing careers.		
Marketing, Sales, and Service Careers		
Marketing, Sales, and Service Career Pathways		
Analyze careers in the Marketing, Sales, and Service career pathways.		
Describe the Marketing, Sales, and Service career cluster.		
Describe the pathways in the Marketing, Sales, and Service career cluster.		
Marketing, Sales, and Service Workplaces and Tasks		
Analyze tasks performed by workers in Marketing, Sales, and Service careers.		
Describe common employers in Marketing, Sales, and Service careers.		
Describe common workplaces in Marketing, Sales, and Service careers.		
Marketing, Sales, and Service Education and Qualifications		
Analyze the qualifications needed for Marketing, Sales, and Service careers.		
Describe the education and training needed for Marketing, Sales, and Service careers.		

Unit	Lesson	Lesson Objectives
Science, Technology, Engineering, and Math Careers		
Science, Technology, Engineering, and Math Career Pathways		
Analyze careers in the Engineering and Technology career pathways.		
Describe the Engineering and Technology career cluster.		
Describe the pathways in the Engineering and Technology career cluster.		
Science, Technology, Engineering, and Math Workplaces and Tasks		
Analyze tasks performed by workers in Engineering and Technology careers.		
Describe common employers in Engineering and Technology careers.		
Describe common workplaces in Engineering and Technology careers.		
Science, Technology, Engineering, and Math Education and Qualifications		
Analyze the qualifications needed for Engineering and Technology careers.		
Describe the education and training needed for Engineering and Technology careers.		
Transportation and Logistics Careers		
Transportation and Logistics Career Pathways		
Analyze careers in the Transportation and Logistics career pathways.		
Describe the pathways in the Transportation and Logistics career cluster.		
Describe the Transportation and Logistics career cluster.		
Transportation and Logistics Workplaces and Tasks		
Analyze tasks performed by workers in Transportation and Logistics careers.		
Describe common employers in Transportation and Logistics careers.		
Describe common workplaces in Transportation and Logistics careers.		
Transportation and Logistics Education and Qualifications		
Analyze the qualifications needed for Transportation and Logistics careers.		
Describe the education and training needed for Transportation and Logistics careers.		
Career Research and Planning		
Research Skills		
Describe how to cite sources.		
Explain how to evaluate the credibility of a source.		
Identify sources of information about careers.		
Career Research		
Analyze the education and qualifications needed for a specific career.		
Cite sources.		
Research a career.		

Unit	Lesson	Lesson Objectives
		<p>Goals and Planning</p> <ul style="list-style-type: none">Describe how to modify and adjust goals.Describe how to set and use milestones.Differentiate between short-term and long-term goals.Explain the importance of setting goals and planning. <p>Career Plans</p> <ul style="list-style-type: none">Describe possible barriers to achieving career goals.Describe the process of planning for education and careers.Describe the role of financial planning in planning a career. <p>Create a Career Plan</p> <ul style="list-style-type: none">Create a plan for education and career success with specific goals and milestones.Identify possible barriers to achieving educational and career goals.Set short-term and long-term goals.
