

Course Description:

Emphasis in the second semester students will be placed on applying what the students have learned to make more detailed works of art.

Among the projects this semester students will be creating a bird feeder, make pig puppets, craft paper flowers, make potpourri, craft a heart collage, construct a wind chime, and press flowers.

Major Concepts:

- Collage
- Crafts
- Weaving
- Bubble painting

Module	Lesson Title	Objectives
Module 7	Clay Mobile	1. Create shapes with clay and cookie cutters. 2. Decorate their shapes. 3. Attach shapes to a stick to create a mobile.
	Clay Beads	1. Create beads from clay. 2. Create texture on their beads. 3. String their beads together to make jewelry.
	Pinch Pot	1. Create a small bowl using the pinch-pot method. 2. Create a design on their bowl by scratching.
Module 8	Leaf Stencils	1. Use sponges and leaves to create stencils.

Module	Lesson Title	Objectives
Module 8	Pressed Flowers	1. Follow steps to create pressed flowers.
	Wild Bird Feeder	1. Use a pinecone, nut butter, and bird seed to make a bird feeder.
Module 9	Fork Weaving	1. Use a fork to weave yarn.
	Spider Web	1. Weave a web using yarn and a paper plate. 2. Create a spider out of a pom-pom and pipe cleaners.
	Finger Knitting	1. Finger knit a hot pad for use in the kitchen.
Module 10	Beaded Snake	1. Design and create their own snake.
	Beaded Buddies - Lizard	1. Follow directions to create a lizard.
	Friendship Bracelets	1. Design and create a bracelet for themselves and a friend.
Module 11	Popcorn Art	1. Follow directions to dye popcorn. 2. Use colorful popcorn to make a picture.

Module	Lesson Title	Objectives
Module 11	Building with Marshmallows	1. Use toothpicks and mini marshmallows to make sculptures.
	Noodle Art	1. Dye noodles with food coloring. 2. Glue noodles to a surface to make a picture or design.
Module 12	Molded Paper	1. Create paper pulp. 2. Use the pulp and a mold to create shapes for later use.
	Junk Sculpture	1. Create an abstract sculpture using materials from around their home.
	Musical Instruments	1. Create various instruments out of recycled materials and tape.
