Family Living & Healthy Relationships

Carone Learning Category: Lifestyle

Subject: Elective/FCS

Recommended Grade Level: 7-12

Course Credit: One semester, 0.5 credits (5 units in CA)

Recommended Pre-Requisites: None

Course Description

In this course, students examine the family unit and characteristics of healthy and unhealthy relationships at different phases of life-- including information on self-discovery, family, friendships, dating and abstinence, marriage, pregnancy, and parenthood. Students learn about the life cycle and the different stages of development from infancy to adulthood. They also focus on a variety of skills to improve relationships and family living, including coping skills, communication skills, refusal skills, babysitting, parenting, and healthy living and disease prevention habits.
