6-12 SUMMER SCHOOL

Dynamic, customizable credit recovery courses to keep students on track to graduate

Imagine Edgenuity[®] is a rigorous, research-based curriculum for grades 6–12 with an extensive suite of customizable, digital-first courses, including:

- Credit recovery courses that focus on the material students need, not what they've already learned
- Initial credit courses that students can work through at their own pace to get ahead for the next school year or take that elective that they couldn't fit into their schedule last year
- Test prep courses that help students feel prepared for fall administrations of ACT, SAT, and more

K-5 SUMMER ENRICHMENT

Math, coding, literacy, and beyond — customize a program to inspire your K–5 learners

Mix and match engaging, personalized solutions from Imagine Learning's Supplemental and Intervention suite to keep your elementary students excited about learning this summer.

- Imagine Robotify[™] + Imagine Science Corner[™]: a STEM camp to inspire the next generation of mathematicians, chemists, and computer scientists
- Imagine Math[®]: designated summer pathways that prepare students for next year's math skills from PreK-Geometry
- Imagine Math Facts[®]: award-winning, gamified math facts practice to get students ready for pre-algebra
- Imagine Language & Literacy[®]: personalized, science of reading-backed instruction in all four language domains to accelerate reading and English language skill development
- K-5 Certified Teaching: full-time, certified elementary teachers to provide flexible learning opportunities

Nes

SUMMER STAFFING

K–12 certified teachers, special education services, and flexible tutoring and intervention options to expand summer offerings

Imagine School Services helps schools meet district-level goals and expand programs with:

Anna's mother had told her to tidy up her paper before the birthday party. She needed to andre, status for any new gifts people brought to the house. Anna spent the whole day sorting her togs, Ail of ther dolls went in one backet and all of her puzzles went into another. She put her stuffed animals on her bed and lined up her toy cars on the wall. By the time her party storted, her room was ready!

20

Who is this story about? What are they doing? This story is about Anna cleaning Who? Doing who??

- Highly qualified, certified teachers who prioritize student success
 Easy-to-access, point-of-need tutoring 7 days a week (even in summer!)
- Exceptional Education Coordinators and Specialists who ensure IEPs and 504 plans are met
- COPPA-compliant and secure speech-language teletherapy
- Data-driven small group intervention

READING AND MATH INTERVENTION Age-appropriate, adaptive K–12 intervention to turn gaps into growth this summer

Imagine MyPath[®] prioritizes foundational skills in an engaging, ageappropriate learning environment to:

- Optimize student motivation with content that is relevant to both their skill and maturity levels
- Ensure every student is algebra-ready by high school
- Develop strong, confident readers

MULTILINGUAL LEARNER SUPPORT

Rigorous, evidence-based language development to maintain English and Spanish learners' progress

Direct, explicit, and systematic instruction and practice in **Imagine** Language & Literacy[®] and Imagine Español[®] ensure students learn critical skills in all four language domains — in English and Spanish.

- Backed by the science of reading and proven to accelerate growth
- Culturally respectful, authentic instruction is designed to develop cultural competency
- Game-like learning environments adapt to students' strengths and gaps and keep them engaged
