

FOR GRADES K-12

# Small Group Targeted Instruction

Experienced interventionists deliver online, data-driven small group instruction

# Small Group Support for All Students

**Give students secure, equitable access to the personalized, evidence-based instruction they need**

As staffing shortages become increasingly common, it is becoming more challenging for districts to give students the individualized support they need. Imagine Learning's highly qualified, certified teachers provide small group instruction in the four core subject areas — math, ELA, science, and social studies — plus English language development and test prep.

## We partner with you to:

- ✓ Identify and group students with a shared learning need
- ✓ Develop high-quality, standards-aligned instruction from Imagine Learning's core content
- ✓ Deliver targeted interventions using research-based best practices
- ✓ Use formal and formative assessments to measure growth and inform instruction
- ✓ Support multilingual learners with ESOL-endorsed instructors
- ✓ Provide comprehensive and ongoing reporting
- ✓ Meet students where they are to drive growth
