

Teacher Name		Imagine Learning Program(s) Used	
School Year			
Grade Level(s)			

Did my students meet established usage goals?

☐ Yes ☐ No ☐ Somewhat

If not, what were the challenges?

What strategies can I implement to improve usage/motivation next year?

- | | |
|--|--|
| ☐ Classroom contests | ☐ Class usage trackers |
| ☐ Student conferences | ☐ Student usage trackers |
| ☐ Family involvement | ☐ Other: <input type="text"/> |

Did my students demonstrate content mastery as they worked in the program(s)?

☐ Yes ☐ No ☐ Somewhat

Did my students demonstrate growth via embedded assessment results and/or other program data?

☐ Yes ☐ No ☐ Somewhat

What does the data provided by the program(s) tell me about student learning and progress?

Tip: Download/print any applicable student-level reports to share with next year's teachers.

Which program resources or features did I leverage this year?

- | | | | |
|--|---------------------------|--------------------------|--------------------------------|
| I used classroom-level data to inform my instruction. | ☐ Yes | ☐ No | ☐ Somewhat |
| I used student-level data to inform my instruction. | ☐ Yes | ☐ No | ☐ Somewhat |
| I used the printable instructional materials to enhance student learning. | ☐ Yes | ☐ No | ☐ Somewhat |
| I used the digital instructional materials to enhance student learning. | ☐ Yes | ☐ No | ☐ Somewhat |
| I used the in-product motivational materials to engage students and encourage usage (trackers, posters, etc.) | ☐ Yes | ☐ No | ☐ Somewhat |

What resource or feature was the most helpful/impactful in my classroom this year?

What is one new resource I'd like to try next year to make my implementation even more effective?

What aspects of this year's implementation were successful and should be continued?

Based on this year's experience, what new strategies or changes will I implement next school year?
