Redesigned Family Portal

Available for both Imagine Edgenuity and Imagine EdgeEX, the newly designed Family Portal provides parents and guardians access to their students' progress, attendance, course map, and reports in one convenient location.

Introducing our professional learning subscription service

A flexible subscription-based service designed to extend the impact of professional learning with specialist on-demand courses, direct access to expert guidance, and curated, ready-to-use resources.

Expanded Imagine EdgeEX course offerings

New Courses and Content

- AI Literacy I
- English Language Development 3

Plus, 5,000* refreshed instructional videos across 800 lessons, featuring richer visuals to enhance academic content and rigor

Fully Revised Courses

- Math Models with Applications
- Earth and Space Science
- Computer Science
- High School Electives: Career Planning and Development, Introduction to Communication and Speech*, and Strategies for Academic Success

Added to Imagine EdgeEX

- Middle School Math
- Middle School ELA
- High School Personal Finance
- High School Health

New Imagine EdgeEX features

- **Expanded integration:** new LTI integration enables grade passback to Canvas and Schoology via Thin Common Cartridge
- **Manage sections:** archive and unarchive sections in bulk for faster section management
- **Admin reports for teachers:** access reports previously available only to administrators, including:
 - Academic Integrity
 - Teacher Actions
 - Course Options Summary
- **Reduce answer choices:** adjust assessments by reducing the number of answer choices by one or two to better support differentiation

*Available by end of 2026
